---

Hi Sean,

Carl and I are both available to come to Seattle to meet on either the 13th or the 14th. Just as an FYI, the Portland Harbor Milestone meeting is on Wednesday the 12th, not the 13th. I don't know if that changes the availability of your team or not on the 13th but thought I should let you know. Carl and I are currently confirmed for a meeting from 10:00 - 2:00 on the 14th.

Thank you,

Bob

Subject: Next GASCO/Siltronic meeting

Bob, Tom, Carl, et. al.,

Would 11/14 in Seattle work for our next meeting--the usual time (10-2 ish). We cancelled the previously scheduled 10/17 meeting as it doesn't seem we have everything we need for a meeting tomorrow (groundtruthing the substantial product definition and more feedback from Dana and I on waste characterization). 11/13 is another date we looked at, but it looks to be booked with partner/milestone meetings.

Let me know if you have any objections to this proposed meeting date. Also, fyi, I'll be out of the office and not checking voice mail from 10/20-30. I'll be checking email through perhaps 10/22 and on 10/29 though.

Thanks!

S
